

CAN YOU
HELP US TURN...

“Where?”

If you are living or studying in County Durham, and are 23 or under, we want to hear from you.

We are looking for opinionated, forward-thinking, idea-filled young people to join this Creative Lab project, as freelancers. Creative Lab is part of Digitale, an innovation project across County Durham. We are working with Cosin's Library to make the space inviting for young people - your ideas might develop into apps, exhibitions or events.

Pay is £120 for 4 hours work in October 2021. This will all be online – a mix of zoom meetings, zoom workshops and research.
